#### CAREER SUMMARY

Anthony Bollinger serves as Vice President of Pre-Construction Services with Embree Construction Group, Inc., where he is responsible for managing the company's documentation and training, and pre-construction estimating services for new clients.

Anthony joined Embree Construction Group in 2006 as Head Estimator, responsible for bidding retail, education, storage, automotive, banking, and senior living projects. During his tenure, Anthony has also functioned as Chief Estimator, and Project and Construction Manager for national clients including Goddard School, Dollar General, Ann Taylor, Loft and Memory Care America.

Anthony began his career performing residential remodels and new construction in Los Angeles, California and subsequently served as Project Coordinator and Estimator for Calabasas-based Environmental Golf, a division of ValleyCrest Landscape Development, where he oversaw estimating and management of purchasing and subcontract awards for national golf course construction projects averaging \$4 million. Anthony relocated to Central Texas in 2002 as Chief Estimator and Purchasing Manager for ValleyCrest's Austin Branch office, completing projects for the University of Texas, Dell Children's Hospital and the City of Austin.

Anthony offers over 20 years of estimating, project management, and construction management experience, and is a certified Project Management Professional (PMP).
