CAREER SUMMARY

Matthew Clark serves as a Senior Project Manager for Embree Construction Group, Inc. and is responsible for leading a project management team serving multiple clients in negotiated programs, as well as hard-bid projects.

Matthew started his construction career in 1999 working for his father, Bill Clark at Clark Contractors, Inc. He worked for Clark Contractors as a Senior Estimator/Project Manager and moved over to Embree Construction Group, Inc. in April of 2013. Matthew started as a Project Manager and was promoted to Senior Project Manager in 2018 currently working with clients such as Raising Cane's, Hat Creek Burger Company and Bass Pro Shops. He has completed several projects for other clients including DaVita Dialysis, Dollar General, Fresenius Kidney Care, H&E Equipment & PDQ throughout his tenure with Embree. Matthew has an extensive back-round in ground-up/tenant improvement retail and restaurant construction and has completed over 300 projects throughout his career.
