CAREER SUMMARY

Bill Gipson serves as the Senior Director of Design and Construction for Embree Construction Group where he oversees design, tenant coordination and ground up construction for national retailers, convenience store, restaurants, and banking clients.

Prior to joining Embree Group in 2011, Gipson worked as a Project Architect for Shepard and Boyd Architects, and Zale Corporation. Bill also previously served as Vice President of Design for the Walt Disney Stores Worldwide. Prior to his tenure with these companies, Bill started Aubrey Consultants, Inc., providing design and construction management for retailers and developers such as Ann Taylor, Brooks Brothers, Belk, Inland management (now RPAI), and Trademark Properties.
