### **CAREER SUMMARY**

Glen Kaiser serves as Director of Design and Construction Services Retail with Embree Asset Group Inc., where he is responsible for managing the day-to-day operations for retail design and construction projects.

Glen joined Embree Asset Group in February 2015 as a Construction Manager and then served as Senior Construction Manager where he mentored construction management personnel to improve project deliverables and client relations.

Prior to joining the Embree Group Asset Team, Glen spent 20 years as a Construction Manager and Senior Construction Manager for Albertson's, IDS Real Estate Group, and Chevron Energy Solutions. In 2012 Glen became a Project Manager for Dollar General, where he managed multiple building projects in Southern California. Mr. Kaiser also spent several years as the owner of KG Sterling Construction, a successful small business enterprise that served the construction and remodel needs of Orange County commercial and residential clients.

### **EDUCATION**

Utah State University  
Bachelor Degree in Natural Resource Management
