CAREER SUMMARY

Frank Krenek serves as President of Embree Construction Group, Inc., and as Executive Vice President of Embree Asset Group, Inc. and Embree Capital Markets Group, Inc. Frank is also a member of the Board of Directors of Embree Construction Group, Inc., Embree Asset Group, Inc. and Embree Capital Markets Group, Inc.

Frank served as Division/Project Manager from 1985 through 1989, where he was responsible for the company's largest retail clients, including Western Auto, Firestone, and Albertson's. In April 2000, Frank was named President of Embree Construction Group, after serving as Executive Vice President since January 1996 and as Vice President and General Manager since 1989.

Prior to joining Embree Construction Group, Frank worked for two Dallas-based national general contractors: Centex Bateson, Inc. and Sikes Construction. While at Centex Bateson, he worked on major projects including the Zale World Headquarters, Baylor University Medical Center and the Dallas Museum of Fine Arts. During his tenure at Sikes Construction, and in addition to his responsibilities as Estimator, Frank worked as a Project Manager on medium to large commercial projects.

In December 1980, Frank received his Bachelor of Science degree in Construction from Texas A&M University, where he was recognized with a scholarship from the Association of General Construction. Frank continues to be involved with Texas A&M as a 30-year member of the Association of Former Students, and has served on the Construction Sciences Department Board of Advisors.
