CAREER SUMMARY

Frank Krenek serves as Chief Executive Officer of Embree Construction Group, Inc. and as Executive Vice President of Embree Development Group, Inc. and Embree Capital Markets Group, Inc. Frank is also a member of the Board of Directors of Embree Construction Group, Inc., Embree Development Group, Inc., and Embree Capital Markets Group, Inc.

Frank served as Division/Project Manager from 1985 through 1989, where he was responsible for the company's largest retail clients, including Western Auto, Firestone, and Albertsons. In April 2000, Frank was named President of Embree Construction Group, after serving as Executive Vice President since January 1996 and as Vice President and General Manager since 1989. Prior to joining Embree Construction Group, Frank worked for two Dallas-based national general contractors – Centex Bateson, Inc., and Sikes Construction. While at Centex Bateson, he worked on significant projects, including the Zale World Headquarters, Baylor University Medical Center, and the Dallas Museum of Fine Arts.

Frank has enjoyed the autonomy given to him in his time at Embree and looks forward to adapting the company while maintaining healthy and lasting relationships with clients and the professionals, architects and engineers, and consultants alike.
