DISCLAIMER & CONFIDENTIALITY

The information contained herein is proprietary and strictly confidential. It is intended to be reviewed only by the party receiving it from the Embree Group of Companies (Embree Group) and should not be made available to any other person or entity without the written consent of the Embree Group (the Embree Group collectively refers to Embree Capital Markets Group, Inc., Embree Asset Group, Inc., Embree Healthcare Group, Inc., and Embree Construction Group, Inc.). This brochure has been prepared to provide summary information to prospective investors and to establish a preliminary level of interest in establishing an investment relationship with the Embree Group, which may or may not include the sale or purchase of any specific property referenced herein. Several Embree Group employees are licensed real estate agents and brokers in various states. The information contained herein is not a substitute for a thorough due diligence investigation. The Embree Group has supplied information in this brochure from sources we believe are reliable; however, all potential Buyers and Investors must take appropriate measures to investigate and verify the income and expenses for any specific property, the future projected financial performance of any specific property, the size and square footage of any specific property and its improvements, the presence or absence of contaminating substances, PCB's or asbestos, the compliance with State and Federal regulations, the physical condition of the improvements thereon, or the financial condition or business prospects of any tenant or any tenant's plans or intentions to continue its occupancy of any specific property. The Embree Group reserves the right to withdraw this solicitation at any time without prior notice. The information contained herein is based upon sources deemed to be reliable, but the accuracy of the information is not guaranteed, nor should the information contained herein be considered all inclusive. Statements contained herein which involve matters of opinion, whether or not identified to be that only, are not representations of fact. The price and terms of this offering may be subject to change at any time. The Embree Group is not affiliated with, sponsored by, or endorsed by any commercial tenant or lessee identified in this marketing package. The presence of any corporation's logo or name is not intended to indicate or imply affiliation with, or sponsorship or endorsement by, said corporation of the Embree Group, its affiliates or subsidiaries, or any agent, product, or commercial listing of The Embree Group, and is solely included for the purpose of proving tenant lessee information about this listing to prospective customers.

Embree affiliates have an ownership interest in the subject property.

AREA OVERVIEW

San Antonio, TX

San Antonio, Texas is the seventh largest and one of the fastest growing cities in the United States. Located in the south-central part of the state, San Antonio is Texas' second-largest city and serves as an economic and cultural gateway to the American Southwest. The city lies about 140 miles northwest of Corpus Christi on the Gulf of Mexico and 150 miles northeast of the city of Laredo on the Mexican border. Several major freeways service the city, including Interstates I-10, I-35, I-37, and I-410; U.S. Routes 87, 90, and 281; and Texas State Highways 16 and 151.

The city hosts more than 39 million visitors each year, including over 31 million overnight guests. Home to the Spurs, the Alamo and 1.5 million people, San Antonio is a rapidly growing city with a rich culture. San Antonio offers a dynamic and thriving commercial real estate landscape that promises unparalleled investment potential. San Antonio's rich cultural heritage and vibrant tourism industry provide numerous opportunities for commercial real estate investment. The iconic River Walk, historic missions, and world-famous attractions draw millions of visitors each year, creating a strong demand for retail, hospitality, and entertainment establishments.

San Antonio boasts a resilient and diverse economy, making it a magnet for businesses seeking stability and growth. The city is home to a wide range of industries, including healthcare, technology, aerospace, and manufacturing. Notably, the healthcare sector is a cornerstone of the local economy, with the renowned South Texas Medical Center attracting medical professionals and investments from around the globe. Additionally, the city is home to several major corporations including USAA, Valero Energy, and H-EB, making it a prime location for investment and growth.

COMPANY OVERVIEW

happy
happens
here.

The Learning Experience Corporation is a leading provider of child care and early childhood development services. The company offers full and part-time services for preschool children and supplemental after-school services for school-age children. The Learning Experience® (TLE®) is the nation's fastest growing early learning academy franchises, educating and enhancing the lives of more than 20,000 children ages 6 weeks to 6 years old. It has over 325 locations nationwide, including 210+ fully operational centers in 18 states and the remaining centers under various stages of development.

A family-run business, TLE founders, have more than 30 years of child care and preschool experience. The company has been distinguished as one of America's fastest-growing franchises and ranked #90 by Entrepreneur for top 500 franchises in 2017. The Learning Experience has successfully created one of the most trusted brands in the for-profit early childhood education industry. The foundation of The Learning Experience® was built on three key educational and core principles: cognitive, physical, and social. L.E.A.P.® (Learning Experience Academic Program) guarantees children will graduate TLE® with exceptional core academic skills that will start them on the path to a bright future.

At TLE®, each child develops at their own pace, so the curriculum is designed to provide experiences for children that promote academic competency along with a mastery of developmental tasks, no matter what learning stage they are in. At TLE®, children are taught to engage in a variety of controlled and safe activities that encourage them to adopt a healthy and active lifestyle at an early age. Healthy food choices are provided daily while teachers foster an awareness of proper nutrition. TLE® embraces important practical and real-world matters that most other early learning institutions often ignore. The proprietary Philanthropy Program lays the foundations for children to become respectful and wellmannered people by teaching them the value of selflessness, sharing and giving.
