

TOMMY WATERS

VICE PRESIDENT OF REAL ESTATE

512.819.4737 | twaters@embreegroup.com

CAREER SUMMARY

Tommy Waters serves as Director of Development Services for Embree Development Group, Inc., where he manages build-to-suit relationships, including the entire process from site selection through design, permitting, and construction to store turnover for national retailers. He also oversees due diligence and joint venture developments with third-party firms.

Prior to joining Embree Development Group, Inc. in 2006, Tommy was an owner and broker for Waters Property Management/Real Estate, where he managed approximately 600 units of residential, commercial, and multi-family properties in the Central Texas area. Tommy also served as Assistant Vice President in the Land and Investment Brokerage Division for Henry S. Miller Company prior to owning his own company.

Equipped with 37 years of industry experience, Tommy is committed to establishing EDG as the country's top developer with honesty, integrity, and loyalty.
